

Health Screening Packages
@Novena

Our health and wellness services range from preventive care through early health screening to musculoskeletal and wellness services, including seamless referrals to specialist care.

Our centre is also supported by diagnostic radiology services such as chest x-ray, mammogram, bone mass densitometry and ultrasound services at Novena, assuring you of the convenience and privacy you deserve.

We have a variety of customised packages to choose from. Health screening may also be specially customized to suit your individual needs. All health screening packages are inclusive of breakfast at Thomson Wellth Breakfast lounge.
